

Fourth Grade Newsletter

Nov. 23rd - Nov. 24th.

Dear Parents,

We would like to wish each of you a wonderful Thanksgiving and hope that you get to spend some quality time together.

Please remember that the weather is getting colder and students need to be dressed appropriately.

Also, we are still in need of items to get us through the cold season: tissues, hand sanitizer.

Have a great holiday.

Homework Hotline

In Math, there will be no "Target Grid" this week.

Fluency practice: There will be no grid this week, but continue to practice those facts over the break.

In ELA, there will be no homework this week. We will begin a new unit November 30th.

Curriculum Corner

- **Math:** Students are working on adding and subtracting fractions and mixed numbers.
- **Science: Adaptations:** students are working on what adaptations animals have to help them survive in their environment.
- **S.S. –**We are beginning to review for our unit test on Early Native Americans. There will be a study guide sent home soon.
- **ELA –**We will soon begin working on a Narrative Writing assignment. Students will be writing about an event from their own life. We will start with coming up with an idea. Please talk to your child about some interesting events they may want to consider writing about.

Special Happenings

Nov. 25-28th No School

Dec. 4th – Interims available online.

Good mathematics is
not about how many
answers you know...
It's how you behave
when you don't know.
